

TO ADD A *What's Working* database entry you must be a member of the NACDD online community.

All state/territorial health department staff working in chronic disease are NACDD members.

To register, go to: https://chronicdisease.site-ym.com/general/register_member_type.asp

Log-in if you are already a registered member.

- After logging-in, **CLICK** 'Submit to Database' at top of page and complete all fields in the submission form

- Be prepared to add all information in one sitting- you cannot save a record & return to it later.

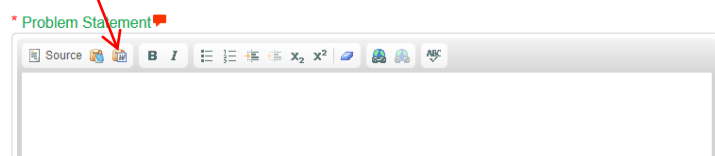

Please choose at least one checkbox for each category

- ENTER info into each database field:

Type directly in each field or **Copy & paste** from a MS Word document (next page)

- TO PASTE text from MS Word

CLICK the Word icon - When pop-up box appears - **Hold down 'Control' and 'V' keys** to paste. **CLICK 'OK'**

TO LINK - to a document or web page on a web site for your initiative, add the URL (web address) to this box:

Web Link (if available) 

Supports the National Diabetes Prevention Program 

☐ Yes

State Contact Information

Name

Agency

Phone

Email

Image Upload
Please only upload image files (.png, .gif, .jpg, .jpeg) with a maximum width and height of 400px.

Filename: No file selected

Choose 'yes' in this box if the submitted work "supports the National Diabetes Prevention Program"-otherwise leave unchecked

Add a photo (.png .gif .jpg or .jpeg only) here

ADD contact information, then **CLICK** button to complete your entry. This action generates an email to the site administrator, alerting them to your addition for review. It may be a few days before your database submission goes 'live'.

HOW TO SEARCH THE DATABASE:

CLICK on any state on the map OR on the name of the state or territory (below map) to see a list of all entries from that state/territory

OR

CLICK 'Search Database' to search by key words of your choosing
